Template MEDIUM **8100x1000 mm**. Scale 50%

IMPORTANT INSTRUCTIONS!
This template is made in scale 50%. Do not resize it. The document consists of 3 layers. "Other markings" and "Cutline "are locked, do not change them. The layer "Print" is what you are going to work with. You don´t need to delete any text in this document, as they're outside of the printed area. In the coloured print area is where you place your design, embedd all links such as fonts, pictures and logos.
DO NOT USE any of the BB or BG colors for printed objects as objects in these colors will be removed during the print process!
