Artwork Requirements

Artwork Format

All artwork & discs should be **PC format** sent on CD, DVD or email. Artwork files should be supplied as CorelDRAW, Adobe Illustrator version 7 or below, or Encapsulated Postscript (.eps) with all text converted to curves/outline. We can also accept Adobe Acrobat PDF files with all fonts as curves/outline. Photos should be sent as TIF or JPEG format of at least 300 dpi as a CMYK colour split.

Colour Setup

A colour proof of your artwork should be supplied for each individual design.
 All colours should be supplied in accordance with the Pantone Matching System (PMS).

Sending your artwork

Post your discs and print outs to: **Portfolio Display Ltd**, Elland Lane, Elland, West Yorkshire. HX5 9DU
 or email smaller files (upto 15MB) to: **sales@portfolio-display.co.uk**

For larger files send your artwork via a FREE file transfer website by just visiting: www.yousendit.com & upload your file & email it to: **sales@portfolio-display.co.uk**
