

We can print any size of banner, so please set your artwork to the correct size.

Text Limit - 40mm from the edge of all banners
(Allowance for eyeletting and reinforcing)

No bleed is required

How to save your artwork

The following file formats are accepted as print ready artwork.

All artwork should be saved as high resolution print ready files with all the fonts converted to outlines / curves in one of the above formats.

Artwork can be supplied at a minimum of 25% of the finished size. All images should be saved as CMYK and supplied no less than 100 dpi at full size.
