

We can print any size of sticker, so please set your artwork to the required size.

Example Size
60mm x 250mm wide
150 sq cm

All graphics should be supplied as vector graphics and not bitmaps

How to save your artwork

The following file formats are accepted as print ready artwork.

All artwork should be saved as high resolution print ready files with all the fonts converted to outlines / curves in one of the above formats.

Artwork can be supplied at a minimum of 25% of the finished size. All images should be saved as CMYK and supplied no less than 100 dpi at full size.
